

That's the whole idea: not a bigger team, not new software, just the free app already in your pocket, finally set up the way it should be.

Thank you for reading — now go turn it on.

Alejandro Soria

Founder, NKUVO Labs

*P.S. — If this guide helped your **WhatsApp** work harder for you, imagine what Tappt Business — NKUVO Labs' full appointment and follow-up platform built on **WhatsApp** — could do for your business next.*

End of book.
